

# UN Trust Fund to End Violence against Women

## Call for Proposals for Latin America and Sub-Saharan Africa

### *The Spotlight Initiative: Theory of Change for Outcome 6*

All proposals submitted must be aligned to the *Spotlight Initiative's Theory of Change*<sup>1</sup> and respond specifically to action under its Outcome Area 6 while contributing to the associated Outcome and Output indicators:

#### **LATIN AMERICA**

**Outcome 6: Women's rights groups, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization, more effectively influence and advance progress on GEWE and ending VAWG**

#### **Outcome 6 Theory of Change**

If (1) the knowledge, expertise and capacities of women's rights organisations, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination is drawn upon and strengthened, and (2) the space for women's rights organisations, autonomous social movements and CSOs including those representing youth and groups facing multiple and intersecting forms of discrimination's expression and activity is free and conducive to their work, and (3) multi-stakeholder partnerships and networks are established at local, national, regional and global level with women's rights groups and autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination, then (4) women's rights organisations, autonomous social movements and CSOs will be able to influence, sustain, and advance progress on GEWE and ending VAWG including femicide policies and programmes that respond to the needs of all women and girls, including those facing multiple and intersecting forms of discrimination, because (5) the activism of women's rights organisations, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination is a crucial driver of progress on efforts to end VAWG including femicide

Global Outcomes and Outcome Indicators	Regional Core Outputs and Output Indicators
<p><b>Women's rights groups, autonomous social movements and relevant CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization, more effectively influence and advance progress on GEWE and ending VAWG</b></p> <ul style="list-style-type: none"> <li>• <i>Indicator 6.1 Proportion of countries where women's rights organisations, autonomous social movements and relevant CSOs,<sup>2</sup> increase their coordinated efforts to jointly advocate on ending VAWG including femicide</i></li> <li>• <i>Indicator 6.2 Proportion of countries where there is an increased use of social accountability mechanisms by civil society in order to monitor and engage in efforts to end VAWG including femicide</i></li> <li>• <i>Indicator 6.3 Proportion of women's rights organisations, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization, report having greater influence and agency to work on ending VAWG including femicide</i></li> </ul>	<p><b>Output 6.1 Women's rights groups and relevant CSOs,<sup>3</sup> have increased opportunities and support to share knowledge, network, partner and jointly advocate for GEWE and ending VAWG including femicide with relevant stakeholders at sub-national, national, regional and global levels</b></p> <ul style="list-style-type: none"> <li>• Indicator 6.1.1 Number of jointly agreed recommendations produced as a result of multi-stakeholder dialogues that include representatives of groups facing multiple and intersecting forms of discrimination</li> <li>• Indicator 6.1.2 Number of official dialogues with relevant government authorities with the meaningful participation of women's rights groups and relevant CSOs, including representatives of groups facing multiple and intersecting forms of discrimination</li> </ul> <p><b>Output 6.2 Women's rights groups and relevant CSOs are better supported to use social accountability mechanisms to support their advocacy and influence on prevention and response to VAWG including femicide and GEWE more broadly</b></p> <ul style="list-style-type: none"> <li>• Indicator 6.2.1 Number of supported women's right groups and relevant CSOs using the appropriate accountability mechanisms<sup>4</sup> for advocacy</li> </ul> <p><b>Output 6.3 Women's rights groups and relevant CSOs representing groups facing multiple and intersecting forms of discrimination/marginalisation have strengthened capacities and support to design, implement and monitor their own programmes on VAWG including femicide</b></p> <ul style="list-style-type: none"> <li>• Indicator 6.3.1 Number of women's rights groups and relevant CSOs representing groups facing multiple and intersecting forms of discrimination/marginalization that have strengthened capacities and support to design, implement, monitor and evaluate their own programmes on VAWG including femicide</li> <li>• Indicator 6.3.2 Number of women's rights groups and relevant CSOs using knowledge products developed by the participating UN agencies in the design of their own programmes on VAWG including femicide</li> </ul>

<sup>2</sup> Including those representing youth and groups facing intersecting forms of discrimination/marginalization

<sup>3</sup> Including those representing youth and groups facing intersecting forms of discrimination/marginalization

<sup>4</sup> E.g. the CEDAW, UPR shadow reports, and social accountability mechanisms such as social audits, citizen report cards, etc.

## AFRICA

**Outcome 6: Women's rights groups, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization, more effectively influence and advance progress on GEWE and VAWG, including SGBV/HP**

### Outcome 6 Theory of Change

If (1) the knowledge, expertise and capacities of women's rights organisations, autonomous social movements and civil society organisations, including those representing youth and groups facing multiple and intersecting forms of discrimination is drawn upon and strengthened, and (2) the space for women's rights organisations, autonomous social movements and civil society organisations including those representing youth and groups facing multiple and intersecting forms of discrimination's expression and activity is free and conducive to their work, and (3) multi-stakeholder partnerships and networks are established at local, national, regional and global level with women's rights groups and autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination, then (4) women's rights organisations, autonomous social movements and civil society organisations will be able to influence, sustain, and advance progress on GEWE and VAWG, including SGBV/HP/SRHR, policies and programmes that respond to the needs of all women and girls, including those facing multiple and intersecting forms of discrimination, because (5) the activism of women's rights organisations, autonomous social movements and civil society organisations, including those representing youth and groups facing multiple and intersecting forms of discrimination is a crucial driver of progress on efforts to end VAWG/SGBV/HP and promote women and girls' SRHR.

Global Outcomes and Outcome Indicators	Regional Core Outputs and Output Indicators
<p><b>Women's rights groups, autonomous social movements and relevant CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/ marginalization, more effectively influence and advance progress on GEWE and VAWG, including SGBV/HP</b></p> <ul style="list-style-type: none"> <li><i>Indicator 6.1 Proportion of countries where women's rights organisations, autonomous social movements and</i></li> </ul>	<p><b><u>Output 6.1</u> Women's rights groups and relevant CSOs, have increased opportunities and support to share knowledge, network, partner and jointly advocate for GEWE and ending VAWG, including SGBV/HP, and promoting SRHR, with relevant stakeholders at sub-national, national, regional and global levels</b></p> <ul style="list-style-type: none"> <li>Indicator 6.1.1 Number of jointly agreed recommendations produced as a result of multi-stakeholder dialogues that include representatives of groups facing multiple and intersecting forms of discrimination</li> <li>Indicator 6.1.2 Number of official dialogues with relevant government authorities with the meaningful participation of women's rights groups and relevant CSOs, including representatives of groups facing multiple and intersecting forms of discrimination</li> </ul>

Global Outcomes and Outcome Indicators	Regional Core Outputs and Output Indicators
<p><i>relevant CSOs,<sup>5</sup> increase their coordinated efforts to jointly advocate on ending VAWG, including SGBV/HP and promoting SRHR</i></p> <ul style="list-style-type: none"> <li>• <i>Indicator 6.2 Proportion of countries where there is an increased use of social accountability mechanisms by civil society in order to monitor and engage in efforts to end VAWG, including SGBV/HP, and promote women and girls' SRHR</i></li> <li>• <i>Indicator 6.3 Proportion of women's rights organisations, autonomous social movements and CSOs, including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization, report having greater influence and agency to work on ending VAWG, including SGBV/HP, and promoting SRHR</i></li> </ul>	<p><b>Output 6.2 Women's rights groups and relevant CSOs are better supported to use social accountability mechanisms to support their advocacy and influence on prevention and response to VAWG, including SGBV/HP, and GEWE more broadly</b></p> <ul style="list-style-type: none"> <li>• Indicator 6.2.1 Number of supported women's right groups and relevant CSOs using the appropriate accountability mechanisms<sup>6</sup> for advocacy</li> </ul> <p><b>Output 6.3 Women's rights groups and relevant CSOs representing groups facing multiple and intersecting forms of discrimination/marginalisation have strengthened capacities and support to design, implement and monitor their own programmes on VAWG, including SGBV/HP, and promote women and girls' SRHR</b></p> <ul style="list-style-type: none"> <li>• Indicator 6.3.1 Number of women's rights groups and relevant CSOs representing groups facing multiple and intersecting forms of discrimination/marginalization that have strengthened capacities and support to design, implement, monitor and evaluate their own programmes on VAWG, including SGBV/HP, and on women and girls' SRHR</li> <li>• Indicator 6.3.2 Number of women's rights groups and relevant CSOs using knowledge products developed by the participating UN agencies in the design of their own programmes on VAWG, including SGBV/HP, and on women and girls' SRHR</li> </ul>

<sup>5</sup> Including those representing youth and groups facing multiple and intersecting forms of discrimination/marginalization

<sup>6</sup> E.g. the CEDAW, UPR shadow reports, and social accountability mechanisms such as social audits, citizen report cards, etc.
